Subject: New MW that reached COD for quarterly report

Hi Meredith,
Can you let me know if PG&E has any new (including re-start, or additions as part of a re-power) MW that have reached COD (per CAISO rules) since 1/1/2011? This should be a comprehensive list including any PV projects.

Please include the contract name, MW, GWh, and COD.

Can you let me know by Friday at noon?

Thanks
