Chris,

Thanks for the insight. In order to ensure that we can address your questions fully and focus on solutions, we'd appreciate if you can extend this meeting time by a couple days. Can you make either of the following dates work?

Tuesday, March 8 after 2 PM

Thursday, March 10 after 1 PM

I'm also using this email to introduce Redacted on my team who will leading up the effort to plan the next cycle and address extension issues.

Thanks.

Shilpa

Hi Shilpa,

In addition to helping us understand the current EE framework and process, can you discuss PG&E's view on what's good about the framework and process, what needs work, and what needs changing?

Okay. Let's do March 3rd at 10AM here at the Commission. There might be another person attending - not sure yet.

Thanks,

Chris

Hi Chris,

I'm glad to hear from you. Here are some available times and dates:

Thursday, March 3 after 10 AM

Friday, March 4 before 1 PM

Tuesday, March 8 after 2 PM

Wednesday, March 9 after 1 PM

Thursday, March 10 after 1 PM

Let me know if any of these work for you (and any others joining you). I think a 1.5 hour meeting makes sense.

I'm happy to come to DRA's offices and fold the maps – completely up to you.

Thanks again for reaching out and have a great weekend.

Shilpa

Hi Shilpa,

We met briefly at the ED workshop earlier this week and you offered to meet up at a later date to describe the Commission's complex EE framework and process. I would like to take you up on your offer. You mentioned you've developed large process maps to aide understanding, so I can certainly come to your office for the meeting.

Please provide me several dates in the next couple of weeks that work for you.

Thanks,

Chris
