Hi [Redacted]

I'll be moving to a different position at CPUC as of March 1, so I think you can send the remaining material to Bruce. Also, you can drop my name from the distribution of the weekly "supplemental response to Data Request ED_017, Question 1"—

Thanks!

Steve

Steve,

I wanted to acknowledge that we still owe you an accounting of the operational costs PG&E incurred to implement the corrections described in the DR response below. The last charges should be on February invoices, so I planned to send that response to you in March. Please let me know if that is okay. Thanks.
