It was more of a ground rule setting conversation. I want to limit the involvement of attorneys, especially my own, or we will never get anywhere.

Brian - While I appreciate the offer - I don't chat one on one with utility reps. Nothing personal. I'm sure you're a fine fellow.

I'll see when my team is available for a meeting tomorrow. I figure we have about a half hour we can set aside to listen to your company's proposal.

Richard - for our formal meeting tomorrow, I can do the early morning - 9- 11 or the afternoon - 2pm to as late as you need. I will probably bring 2 attorneys who are familiar with the case. Please pick a time that is convenient for you. If these times don't work, I'm willing to rearrange my schedule completely to meet your schedule. Secondly, I'd like to chat with just you today - one on one - before tomorrow's meeting. I can do it by phone or drop by for coffee for 15 minutes. Your call.
