Subject: Affiliate Rule Advice Filing

David, I just tried to reach you by phone.....but thought I would also follow-up by email in case you prefer that form of communication. I understand DRA may be filing a protest today regarding PG&E's affiliate rule compliance advice filing for the Corp's solar DG tax equity investments we discussed over lunch. When we previously discussed this, I was under the impression that you were not very concerned about this issue. So I'd like to talk to you to see what has changed and if there is any way we can address your concerns. I'd love to get this resolved quickly. It's been dragging on forever and I was hoping DRA would not protest ----- you should consider filing a letter of support, not a protest. ☺

If you get chance, please give me a call so we can discuss and work together on this one. Thanks

Erik
