Aram, This seems like a straight forward request. I have forwarded it to the appropriate people at PG&E. I will get back to you with an estimate of how long it will take us to pull it together as soon as I hear back from them. Thanks Erik

Hello Erik,

Can you give me a call? I've got a hopefully very quick data request for you.

I'm looking for the following info:

QF contract ID

QF contract name

Associated Resource ID

LCA/subarea if applicable

2011 NQC if available

Expiration date of QF contract

For all your QFs. This is probably very readily available from whatever source you guys use to generate your QF public reports from.
