Re: Request for Extension to Comply with Order Number 2 and Order Number 3 of
Resolution G-3440, dated September 2, 2010

Dear Mr. Clanon:

I am writing to request an extension of time for Pacific Gas and Electric Company (PG&E) to comply with Orders Number 2 and 3 of Resolution G-3440. Specifically, PG&E requests a 90-day extension of these audit and reporting requirements such that PG&E would complete its first audit of its records, documents and data related to issuing imbalance statements and accounting adjustments to Core Transport Agents (CTAs) no later than June 2, 2011. PG&E would provide a written report to the Director of Energy Division no later than July 1, 2011.

Order Number 2 requires PG&E to "audit each record, document and all data related to preparing and issuing imbalance statements and accounting adjustments to CTAs." PG&E is required to complete the first of these audits no later than 6 months from the effective date of Resolution G-3440, which is September 2, 2010. This would mean that absent an extension, the first audit must be completed by March 2, 2011.

Order Number 3 requires that a written report of this audit be issued to the CPUC Energy Division no later than 30 days after the completion of the audit, or by April 1, 2011.

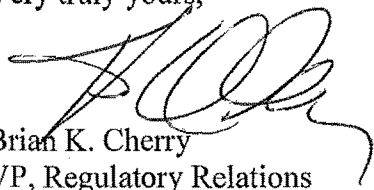

While PG&E has begun the audit process, we require additional time to comply with Orders Number 2 and 3 due to recent competing demands on resources in PG&E's gas business. This is coupled with the fact that the audit of CTA imbalance statements and accounting adjustments is a new requirement and does not have long established procedures and reporting templates in place to support it. We expect to complete the audit by June 2, 2011 and to issue the required report no later than 30 days thereafter (July 1, 2011).
