Subject: RE: FYI. Draft Report on Gas Supply from National Petroleum Council Task Force Study

Paul and Ken,

You may have already seen this, but attached FYI is a near final draft of a report to be previewed at NARUC gas committee. We would appreciate it if you didn't share beyond your office before presentation.

Let me know if you want a briefing either before or after NARUC. Redacted from PG&E's procurement area has been deeply involved and would be happy to answer any questions.
