Subject: RE: Are you going to NARUC?

Yes, I am going. Yes, let's meet. I am working on my schedule for NARUC right this moment, and I will call later. BTW, did you know that in at least one way, Texas is just as screwed up as we are. Texas has three regulatory agencies that are members of NARUC. Does that make you feel less bad about California having the CPUC, the CEC, the Air Board and Water Board, etc.?

Can you tell that I am doing research?
