Subject: Breakfast or Lunch with Ralph Clark of Shotspotter

Timothy - I'd like to arrange a breakfast or lunch with the CEO of Shotspotter. Ralph is a friend of mine that I met while serving on the Oakland Museum Board. He was born and raised in Oakland and his mentor was Barry Williams. He has some ideas he'd like to bounce off of your regarding the PUC's 911 fund. I'm not sure what that means but I think it would be worthwhile on a personal level. If you have some dates, let me know.
