Jessica sent me this stuff last week and I already took care of sending this to Paul Clanon. No need to follow up further unless you have heard from Paul more recently than last Wednesday.
Thanks,
Trina

Jessica, while I was out sick I know some information was ultimately shared with Speier. The CPUC would like a copy. Can you send it to Brian and Steve.

Brian, I am leaving for DC in an hour and will be out of touch until late tonight so can you please forward to Paul?

Kirk
