Hello Meredith,

Can you please verify that the attached data request is up-to-date and accurate? I recently had a phone call with a solar PV developer that said another PV company is negotiating a contract with PG&E for multiple small PV projects for a total capacity of about 100 MW. I'd like to verify with you if this is correct or not.

Thank you for the information,  
Jaclyn

Dear Ms. Marks,

Attached is PG&E's response to the Energy Division's Data Request No. 12.

**Please note this response contains confidential information protected under D.06-06-066, Appendix 1.**

Sincerely,
