Subject: Moving on...

Friends and
Colleagues,

Today will be my last day as an employee of the State of California. I will be leaving the California Public Utility Commission after 5 years of service and moving to the private sector. My new position will be as the Director of Policy Initiatives at Recurrent Energy, a developer of distribution-scale photovoltaic systems.

It is my desire to insure that any communication between us is not interrupted by a change in my contact information. After March 1, you will be able to reach me at:

michael.wheeler@recurrentenergy.com

Before then, you are also free to use my personal email address and cell phone:

Redacted

I've benefited greatly from my interactions with each of you over the years and I would like to maintain our connection. I expect to send a second note in March announcing my arrival at Recurrent Energy and providing additional contact info.

I look forward to

meeting you all again in my new capacity,

Regards,

Michael
