Marzia,

The See Your Power mobile tour was present at the Kaiser Half Marathon last Sunday the 6th. Brief overview of the event:

- We had two PG&E managers present, covering English, Spanish and Chinese.
- We set up the Education Kiosk.
- We had over 275 extensive customer interactions.
- One quote taken from the event: "I never knew I was able to track my usage down to the hour, great info and very helpful."

I hope that this addresses your question. If you need more information, please let me know.

Thank you!

Lisa

Good morning, Marzia!

I have attached our 2 week look ahead of SmartMeter events. I'm not sure you received the last one I sent (was having major email issues), so I will send you a separate note to ensure you have received this.

Please let me know if you have any questions.

Thank you.
