Good luck. These things are still major surgery.

I know. I joked that this is the "in" surgery these days... Ugh.

Thanks Julie. Best of luck on the surgery. Seems like there is an epidemic going around gall bladders at the Commission and alumni: Steve Larson, Catherine Sandoval and now you ! Ouch. Take care of yourself.

For some reason you weren't copied directly on this, even though it is addressed to you. I gave Erik a heads up that this was coming. I am at home on medical leave, but monitoring email, at least for the moment, awaiting gall bladder surgery on Monday.
