Once he arrives, I'm certain you will be able to keep him in your office for as long as you need him. It seems the only way to book time with both of you is to schedule a half hour and then let the chips fall where they may.....

Oh, wow. What a huge topic. Not something to be discussed in one-half hour. We'll do our best.

No agenda for Chris. He wants to hear honestly from about what needs to be changed around here.

We've also scheduled a meeting with you and Chris for a half hour on March 9. I know the two of you have wanted to meet for a personal one-on-one and if we didn't pick this date, Chris couldn't meet until April. It will be in your office in SFO.
