Subject: FW: RE: Energy Division Preview Meeting

Jennifer,

Per our call today, my proposed times in order of preference are:

3/10 - Thursday 1-2pm

I had said 3/9 - Wednesday 2:30-3:30 - In talking with the folks they would like more time to prepare, so could we do Friday instead if Thursday does not work, perhaps in the morning 10 am?

I believe you would prefer an in-person meeting rather than a conference call.

Thanks,

Harold,

Per our discussion ED has asked for a preview meeting before our stakeholder workshop on March 15. Jennifer Kalafut is the contact at ED and she will coordinate among CPUC folks. Her number is 415-703-1475. She may also have some more technical questions and I told her you could also speak to those.

Thanks again for your help!

Jennifer
