Thx. That seems late to me. We need to nail this down by Tuesday.

Call him and arrange. I will also give him a heads up.

Tom and Brian,  
I know you're both at the CPUC now; just wanted to let you know Jane thinks we can be ready for a follow up conversation with Paul Clanon on our pressure reduction criteria/proposal on Friday morning this week (assuming we still want to have a follow up discussion with him). Not sure if you are going to be talking w/ Paul this afternoon and mention this suggestion to him; if not, let me know and I'm happy to call him and get it scheduled.
