Can we do 10:00 am? It's a little more civilized on a Friday.

Paul,
Can we say tentatively 9:00 or 10:00 on Friday? I will double check with my folks and let you know today by email if that's okay.

Hang in there.

Hi Jennifer,

My apologies for the last minute nature of this request, but I'm wondering whether you would be amenable to moving tomorrow's meeting to Friday. Some fairly urgent matters have come up that may require me to be in other meetings all day. However, I am free all day on Friday, so you'd have your pick of time slots.

If this is too much trouble, I can try to wiggle out of meetings -- but I would prefer to move it if possible.

Let me know ASAP. Thank you!

Best,

Paul
