State Gov Participation 2006-2010 -- can one utility combine all companies
into one roll-up?

This looks really good. thanks
for the preview.

1. Could you please add a row
for TOTAL ACTUAL EXPENDITURES across the various applicable rows

(& FOR JUST THAT ROW, NO LONGER DISTINGUISHING THE UC/CSU VS OTHER
STATE AGENCIES)?

2. Hate to ask you this, but we
are really short-handed tomorrow morning. If the last one done (now there's
incentive to get finished) could put all utility tables into one file,
and produce a tab that combines that data into a summation for all IOUs,
that would be terrifically helpful. Would need by 11:30 a.m. Friday.

Many thanks,
Jeanne
