Subject: RE: CA IOUs - State Gov Participation 2006-2010.xlsx

Thanks everyone. I'll take a look at this a bit later when this afternoon's meetings conclude and I can look at it on something large than a 2 inch phone screen.

Our meeting w/ Gov's office was at noon, so I wasn't able to use the info there, but there are follow-up mtgs next week on State bldgs' need for EE funding, financing for same, and broader issues of reauthorization of PGC \$ and for what purposes.

Thanks for the scramble and your help. Hope you are polling your program folks in this arena for contributing to the dialogue ahead.

Jeanne
