Subject: Courtesy notice of 3/30 workshop on HVAC Action Plan

To All Parties to R.09-11-014, R.09-11-019, and
A.08-07-021:

This notice for an upcoming workshop on the
Heating, Ventilation and Air Conditioning (HVAC) Action Plan
for the *California Long-term Energy*
Efficiency Strategic Plan (Strategic Plan) is being provided as a courtesy
to all parties to the above-referenced proceedings.

As noted in D.10-09-047 (decision adopting the lighting
chapter of the Strategic Plan), "Energy Division - in coordination with
utilities, state agencies, a variety of entities in buildings and industry, and
a wide range of trade groups and nonprofit organizations - is creating
action plans for the Plan sectors. These action plans are designed to: (a)
identify the key actions required to achieve Plan milestones; (b) secure leaders
(hereafter, "champions") to achieve these actions; (c) track and report on
progress; and (d) feed into the development of the Strategic Action Plan
Progress Report in June 2011." The HVAC Action Plan is a way to support and
operationalize the HVAC goals of the Strategic Plan for residential and
commercial sectors.

Pursuant to D.10-09-047, the Commission clarified that
"action plans are not part of the formal EE proceeding because they will not set
new rules or policies or mandate actions by the IOUs or be adopted by the
Commission." Therefore, this notice is being provided as a courtesy in order to
provide interested parties opportunity to
comment in the context of the workshop.

A stakeholder meeting to review the draft HVAC Action
Plan will be held on March 30th at 10am-3pm in San Francisco at the California Public
Utilities Commission. This meeting will be comprised of members of the Western
HVAC Performance Alliance (WHPA), a stakeholder forum established to advance
HVAC Strategic Plan goals, as well as other HVAC stakeholders across California. This workshop
will be an opportunity to review the Action Plan in draft form, provide feedback

and learn more about progress to date against the goals of the Strategic Plan and the 10-year time horizon to achieve state's "Big Bold" goals for HVAC.

Please RSVP by March 17th by replying to this email or sending a new email to HVACActionPlan@betterbuildings.com with "HVAC Action Plan Workshop" in the subject line.

For those who RSVP, you will receive a draft copy of the Action Plan to review in advance of the meeting. A call-in number and webinar URL will be provided with the agenda in advance of the workshop.
