Subject: RE: Multi-Family Pilot Discussion

Hi All:

Sorry, I just realized Thursday is a holiday. So please just consider Tuesday and Wednesday. Also, those of you who have not responded, could you please do so ASAP so I can book a room? Also, please note that, as explained in the "Principles," the pilot leverages both the Energy Savings Assistance Program and the mainstream EE programs. So we need key people from both the disciplines at the meeting. If someone who is critical to the effort is not on the distribution list, please invite them. Thanks a lot.

Hi:
ED is organizing a meeting with the IOU representatives to discuss the Multi-Family Pilot proposals. Please take the survey below to indicate your availability. **Please be aware this is a meeting only between the IOUs and ED.**

Thanks.
