Chris,

Yes, PG&E is interested in settlement discussions. I wanted to follow-up on the voicemail I left for you to ensure that we are using the proper settlement protocols before we begin the settlement. Have you had a chance to check with your attorney?

Thanks.

Shilpa

Hi Shilpa,

I have a meeting with DRA management on Tuesday. If you can, please let me know by Monday if PG&E believes settlement is possible around the topic areas we discussed several days ago.

Thanks,
Chris
