Subject: Enalasis Data Request from ED - PG&E EEGA 1448 et al

Dear Simon and Cathy,

The IOUs are working on a joint response to the ED data request on the HVAC QM program that we received on 3/16/11. The requested due date is Monday, 3/21. Due to the short requested turn around time and the fact that several key contributors are out of the office until Monday, I am seeking an extension on behalf of the IOUs until Wednesday, 3/23, to submit the response. This will allow time for the IOU staffs to complete the joint response and for management review prior to submittal.

Thank you for your consideration of this request.
