Subject: Energy Division Assigned Lead for Basic Lighting and Advanced Lighting - Mikhail Haramati

Hi All,

You may have already heard, but I just want to formally announce that Mikhail Haramati is now the new Energy Division's residential lighting programs lead, including both Basic Lighting and Advanced Lighting programs (Cathy had been the de-facto lead). Mikhail continues to be the lead on Lighting Market Transformation (LMT) program, as well. She is not the lead on commercial lighting programs; those are still being lead by Jordana Cammarata. Jordana and Mikhail will be working closely together on cross-cutting lighting issues, including LMT.

Best,

Simon Eilif Baker
