Subject: Draft workpaper collaboration process

Hello Peter-

I am attaching a draft version of the workpaper collaboration process document for ED's comment. PG&E and SCE have provided edits and we haven't received any from Sempra yet.

If the ED is close to agreement with the process let us know and we will schedule a conference call to discuss it. If you would like to send us any edits please cc: the list on this email.

<<...>>

Thank you,
