Rich, I've got someone working on updating the table to include the Class 1 & 2 miles, and to add a column that identifies each row by Class. Should have it in the next 15 minutes.  
Trina

Subject: Additional Data

Hi Trina,

Rich asked me to request additional data from you. What we need is an additional column in the backbone locations table indicating the class location. Please call me if you have questions on my cell Redacted

Redacted

Thanks!

Raffy Stepanian
