Subject: MAOP validation methodology questions?

Hi Julie and Raffi, I know we will be getting together by phone today to discuss the draft compliance plan overall, but if you wanted to set up a separate phone call or meeting to go over the MAOP validation methodology in more detail or to answer any questions you have about the Line 101 MAOP validation report, I can make Kirk and/or Sumeet available to you any time today. Just let me know.

Thanks,
Trina
