Okay, as I said, I haven't heard from Frank yet on Beth's additions. I think they are all downstairs waiting for the OSC.

There is one other thing I had wanted to bring up, but after thinking it over, I've decided that we can do it outside of this Compliance Plan, and that it would just muddle things up.

Stipulation

I should not that this came from Beth, actually, so would need to get Frank's agreement before we use it, but I'm checking with him now.
