Okay, as I said, I haven't heard from Frank yet on Beth's additions. I think they are all downstairs waiting for the OSC.

There is one other thing I had wanted to bring up, but after thinking it over, I've decided that we can do it outside of this Compliance Plan, and that it would just muddle things up.

I should not that this came from Beth, actually, so would need to get Frank's agreement before we use it, but I'm checking with him now.
