Thank you, Frank. I'm adding the following to paragraph 3:

- d) PG&E agrees it will not seek to recover any portion of the penalty from customers in rates.

Please confirm this is ok

Joe -

This will confirm that Paul Clanon, on behalf of Commission staff, is agreeable to the language in this version of the Stipulation document.

For everybody's benefit: Paul and I have been present at the Commission meeting since 9:00 this morning. But he and I were able to confer with each other, and I was able in turn to communicate Paul's decision to Joe via a cell phone call about 30 minutes ago.

Many thanks to all.

Frank

Frank,

Per our telephone conversation, the attached mark-up reflects the changes you and I agreed on in the stipulation Trina received from Julie. We have retained the excellent

language in the first paragraph emphasizing the public safety rationale for the stipulation.

I am going to ask Trina to expedite finalizing the documents and getting them signed at our end so we can get them to you for signature on your side.

Thank you,

Joe
