Subject: FW: "Corrected" Draft Compliance Plan

Paul,

Attached is a mark-up of the staff's "corrected" compliance plan. I have exercised "engineering judgment" on some of the changes since I did not have the full team available between when you sent it and now. I think we are ok with what your team added that I have left in. The mark-up is based on accepting all the changes in your document and then tracking the changes from that. Please let me know if you would like to talk about any of the changes or just give me a call on my cell [Redacted]

I expect to have a schedule to you in 15 minutes or so.

Joe
