My God, man. It sounds like the work of a gang that can't shoot straight. The company really needs help. Thanks for being straight.

Mike,  
I spoke with Paul tonight and understand where we fell short. The February 3 letter I mentioned to you earlier this evening was not as clear about our intentions as it should have been. We will do our best to comply with the commission's order as soon as possible.

You will not be hearing from Chris or Peter.
