QUESTION 2

How many employees or subcontractors charged any amount of time to PG&E's SmartMeter Program in October 2010?

ANSWER 2

In October 2010, 1,565 PG&E employees charged time to the SmartMeter™ Program. The employees charging time to the Program include those assigned full-time to the SmartMeter™ Operations organization, as well as employees throughout PG&E who provide services to the Program upon request. The chart below shows the distribution of hours charged to the SmartMeter™ Program by PG&E employees.

In October 2010, 84 contractor firms charged the SmartMeter™ Program, listed below. Please note that the invoices for these firms' charges may include units of product or service delivered rather than hours.

The contractor firms that charged the SmartMeter™ Program in October 2010 follow:
