Hi Reda

It was nice meeting your team today. Thank you for the presentation. I saw we got the PHC announcement at 3:01—it was nice that they waited until the end of our meeting.

This is DRA's 4<sup>th</sup> Data Request on this application. In light of the April 6<sup>th</sup> PHC and the simplicity of this request, would it be possible for you to provide your response to question 4.1 by March 29? Thank you.

4.1 Please provide any past data requests regarding this application from Energy Division and any interveners other than DRA and PG&E's responses.

4.2 Please provide all data requests regarding this application from Energy Division and PG&E's responses on an ongoing basis.

Best Regards,
