Chris: Will you be sending a meeting notice? Or shall I just put on their calendar manually?

Hi Shilpa and [Redacted]

Monisha and I would like to thank you for the good meeting on this rainy Monday morning. We appreciate the openness with which you shared your views on the EE process/framework (specific to the end-to-end IOU portfolio development and approval process). We will certainly review the deck you provided and look forward to our next meeting. To that end, please let us know your availability this Friday afternoon and next week.

Be Well,

Chris
