Subject: RE: Agenda for IDSM Cost Effectiveness White Paper Workshop

To all interested Demand side management personnel and Eric Woychik

Thanks for the notice... even if it's last minute

We have a very good tool and methodology to value the DSM by determining the Utility fleet power plant cycling cost it avoids.

Please see the attached generic report. Our Nikhil Kumar will attend via phone in the benefits discussion.

Kind regards

Steven A. Lefton

Director Power Plant Projects

Subject: Agenda for IDSM Cost Effectiveness White Paper Workshop

All.

IDSM Agenda and presentation for workshop tomorrow at Cal PUC in San Francisco.
Notice of same with call-in detail is also attached.

Best,

Eric

Formal notice of this follows:

Attached is the agenda and consultant's presentation for the IDSM Cost Effectiveness White Paper Workshop on March 25, 2011. Please review and be prepared to give feedback during the workshop.

The workshop will be held in the CPUC Auditorium located at 505 Van Ness Avenue from 10:00 AM – 3:00 PM. For individuals who are unable to attend in person and would like to participate, teleconferencing capability will be available. Call-in information is provided on the attached agenda.

Dr. Eric C. Woychik
Director, Strategy Practice
Electric Industry Lead
Management Consulting Division
Black & Veatch Corporation
