Hi All,

I would like to request an ad-hoc meeting after the 3/30 HVAC Action Plan workshop to go over the IOU data request responses regarding QM. Sources tell me that SCE is now planning on postponing the planned launch date for non-res QM (and res QI). Separately, PG+E requested a meeting to touch base with me about their plans for QM. I would also like to hear about IOUs' plans to brief TURN / DRA et al. per my request.

Passcode: [Redacted]

Best,

Simon
