Subject: Multi-Family Pilot Meeting

Hi
All:

Since Thursday is a holiday and since it appears that some people cannot open the Doodle pole, let me reiterate the key points:

It seems most people can attend a Wednesday morning meeting so far. However, critical people from Sempra and SCE are missing from the RSVPs. And we need the key people from all the

utilities from both EE and LIEE side to be available. **Don't forget this is just a phone-in meeting.**

So please let me know if you are all available on Wed morning. It might be better for the IOUs to coordinate and get back to me. Sending and receiving these messages is taking all of my time. Also, if you see someone missing from the distribution list please forward this to them.

If Wednesday is undoable we will have to think of another time but I hesitate doing that because we will have to start all over again.
