Subject: RE: Invitation: Work Paper Collaboration Process - Follow Up Discussion (Mar 18
09:00 AM PDT in Dial-in: Redacted)

Does anyone have opposition to PG&E's
request to move this meeting to next week?

How about Monday at 9:00 am?

All:

Unfortunately, [Redacted] cannot make it at this time due to firm prescheduled commitment (9:00 to 11:00). As he is a key player for PG&E, we request that you consider rescheduling this call for next week. A substitute from the PG&E Technical Products and Services can be arranged if necessary; however, given the importance of the discussion on collaboration, and that the scope of the discussion is broader than HVAC, that option is not ideal from our perspective. Michelle - sorry I was not able to get back to you sooner.

Description

I'm hoping this works out for everyone. Schedules were a little dicey tomorrow.
