Request Response

Hi, Simon!

Gloria and I will be at the HVAC Action Plan Workshop and can stay for your meeting. Since some of our team will not be in-person, are you going to have a call-in number available?

Thanks,

Athena

Subject: Request for post-workshop meeting on 3/30 (3:30PM) re: SW HVAC QM Data Request Response

Hi All,

I would like to request an ad-hoc meeting after the 3/30 HVAC Action Plan workshop to go over the IOU data request responses regarding QM. Sources tell me that SCE is now planning on postponing the planned launch date for non-res QM (and res QI). Separately, PG+E requested a meeting to touch base with me about their plans

for QM. I would also like to hear about IOUs' plans to brief TURN / DRA et al. per my request.

Makes sense to meet after the 3/30 workshop, since (hopefully) most folks will already be in SF. I don't think people should fly up just for this meeting, if they aren't coming to the workshop already.

I will reserve a room for 3:30 to 5PM. Please confirm if this works for you folks.

Best,
Simon
