Subject: Smart Grid Standards and Security Issues Meeting

All,

This is a preliminary email going out to folks from the CPUC, CEC, CAISO, SCE, SDG&E and PG&E to see what date/ time would work for our first meeting regarding Smart Grid Standards and Security Issues.

We would like to propose the following dates for our first meeting, to be held at our PG&E offices:

Thursday, April 21, 2011 10am-11am

Monday, April 25, 2011 11am-12pm

Wednesday, April 27, 2011 1pm-2pm

Please let me know if these dates/times work with your schedules. A call-in number will be provided to accommodate all parties who are unable to attend in person.

Felix and Pamela: Please forward this information on to your associates at SCE and SDG&E, respectively and let me know who I should include on the meeting invitation.

Thanks,
