Subject: Notice of IDSM Cost Effectiveness White Paper Workshop

**Hello Colleagues, this is the "unofficial notice" as you were apparently not on one of three CPUC service lists regarding the following:**

**Notice of IDSM Cost Effectiveness White Paper Workshop , March 25th, at Cal PUC -- see draft white paper**

attached.

The Statewide IDSM Task Force has hired a Consultant, Black & Veatch, to produce a white paper examining the issues and proposing a methodology for assessing the cost effectiveness of integrated DSM projects and programs.

A workshop will be held on March 25, 2011 to present the white paper and to solicit comments and discussion before finalizing and publishing the document.

The workshop will be held in the CPUC Auditorium located at 505 Van Ness Avenue from 10:00 AM – 3:00 PM. For individuals who are unable to attend in person and would like to participate, teleconferencing capability will be available. Call-in information is provided on the attached notice.

Hope that you or one of your colleagues will participate in the workshop and provide comments on the attached draft paper.

Best regards,

Eric
