Subject: Urgent meeting request

Rich/Julie:

Paul met with our team today and would like some recommendations on lines, not backbone, that could be reduced to 80% MAOP. Suggestion is to meet tomorrow a.m. w/ recommendation to Paul very soon thereafter. Can you meet tomorrow a.m. and what time? Left you voicemails.

Reply to this; my e-mail at wcs3@pge.com or cell @ Redacted

Thanks.

Bill
