Paul,

Thanks for the heads up. We'll do our best in the morning. How early will you be available?

I will have a draft stipulation for you and Frank to look at in a little bit.

Joe

Joe, it turns out I sent you the second-to-last version instead of the last version of the narrative, and although most differences are cosmetic there are some that are substantive. I'm sorry. The PUC people are doing a compare-version for me now, and I'll send it to you as soon as I have it.

The timeline-matrix I sent you was correct. No changes to that.

I apologize for the confusion on our side. I hope we can resolve any concerns/questions quickly in the morning.
