Bob,

I will follow up and get back to you. When do you need a response to the data request? Does quickly mean tomorrow, next week, or what? My contact info is below.

Erik,

The procurement team has a couple data requests with Redacted Donald Brooks and Steve Haine on my team are coordinating. Can you please see what can be done to expedite these? Getting these data quickly is important on a couple different levels. I appreciate your help. By the way, can you send me your phone number, for some reason its not in my system.

Thanks.

Bob
