Subject: RE: CA IOUs - State Gov Participation 2006-2010.xlsx

I had sent a note to Athena earlier in week, but did not hear back. 2 observations:

1) It seems SCG data is missing from this consolidated file.
(reattached, formatted for Legal size paper) Can you check if that tab just didn't get into this file?

2) Was it possible to separate the OBF "\$ Borrowed" values between a) UC/CSU and b) Other State Agencies?

FYI, I'm told Governor's Office ideally would like to pursue a financing arrangement for ALL public buildings. I'm not asking you to compile any data that way at this point, but thought you'd like to know what is being discussed.
