I think there are errors in the capacity cost column - please check rows 14-17 for example - are those really MW-mo prices? They look more like MW-yr prices.

And please confirm that the prices listed for the Calpine 3 replacement contract are really MW-mo also.

Thanks

Steven and Donald:

Attached is the information related to exeucted bids/contracts for:

- 2009, 2010 (last two years)
- One year or longer in delivery
- Non-RPS

It is our understanding that you would like us to update this list on an on-going basis. Please let us know if you would prefer monthly or quarterly and we can get that started.

Please let me know if you have any questions. I apologize for the delay.
