Hello All,

My apologies. I've been having computer issues when attaching PDFs to emails.

Please let me know if you don't get the agenda again, and I'll send from another computer.

Thank you,

Sandy

Hello,

Please find attached the final agenda for your visit to Lawrence Livermore National Laboratory (LLNL), on Wednesday, April 20, 2011, and maps for your convenience. If you use a GPS, you must put in the cross streets, "South Vasco Road and Westgate Drive." If you put in the physical address of LLNL, you will get lost.

I will be waiting for you at the Westgate Badge Office when you arrive at approximately 10:45 a.m. to take you inside to get your badge, and then we will board a bus that has been reserved for transportation during your visit.

If you have any questions or concerns, please contact me.

I look forward to meeting you tomorrow.

Best Regards,

Sandy
